

## David P. Rhoades

### Position

Plant Manager, LaSalle County Generating Station, Exelon Nuclear

### Profile

As plant manager, Rhoades is responsible for the day-to-day operations of the plant, which include the Operations, Maintenance, Work Control, Chemistry/Environmental/Radwaste, Radiation Protection, and Security Departments. He also provides leadership and direction to ensure the safe and economical operation of the plant.

### Professional History

Prior to becoming plant manager, Rhoades served as Operations Director for LaSalle Station. In this role, he was responsible for ensuring the safe operation of the station on a day-to-day basis, ensuring compliance with all applicable regulatory and procedural requirements and driving the operations organization to excellence

in all aspects of their performance.

Rhoades joined Exelon in 1988 and has held various positions at LaSalle in chemistry, outage support, and work control. He also held a senior reactor operator certification at Dresden.

### Education

Rhoades earned a bachelor's degree in Chemistry from the University of Illinois.

### Family

Rhoades, his wife Reneé, and their two children live in Ottawa, IL.
