

## Shane M. Marik

### Position

Plant Manager, Dresden Generating Station, Exelon Nuclear

### Profile

Shane Marik is responsible for the day-to-day operations of the plant, which includes the Operations, Maintenance, Work Management, Chemistry/Environmental/Radwaste, Radiation Protection, and Security Departments. He also provides leadership and direction to ensure the safe and economical operation of the plant.

Dresden is a dual-unit boiling water reactor capable of producing more than 1,800 megawatts of electricity during full power operation.

### Professional History

Marik has more than 20 years of experience in the nuclear power industry. Prior to becoming Dresden's Plant Manager, he served as the Operations Director at the LaSalle County Generating Station in Marseilles, Illinois. Since joining the company in 1985 as a Station Laborer at LaSalle, he has held positions of increasing responsibility in several departments at the station, including Chemistry, Quality Assurance Work Management and Operations.

### Education

Marik holds a Bachelor of Science degree in Industrial Technology from Southern Illinois University.

### Family

Marik and his wife, Dee, are raising their family in Seneca, Illinois.
