FOR IMMEDIATE RELEASE

Braidwood Station Information Night Set For September 25

BRACEVILLE, Ill. (Sept. 16, 2008) - Exelon will host its next Community Information Night on Thursday, Sept. 25. The information night will be held from 5 to 8 p.m. at Cinder Ridge Golf Course, 24801 Lakepoint Drive, Wilmington.

Exelon representatives, technical experts and officials from various agencies – including the Nuclear Regulatory Commission, Illinois Environmental Protection Agency, and Illinois Emergency Management Agency – will be on hand to provide information and answer questions on a one-on-one basis with attendees about the operation of Braidwood Station and the ongoing remediation of tritium in groundwater.

Guests can visit various tables with information pertaining to the plant's operations, including a table explaining the Braidwood Station's Radiation Protection department.

Refreshments will be served at the event. Maps, fact sheets and other important documents are available at www.braidwoodtritium.info.

###

Exelon Corporation is one of the nation's largest electric utilities with more than \$19 billion in annual revenues. The company has one of the industry's largest portfolios of electricity generation capacity, with a nationwide reach and strong positions in the Midwest and Mid-Atlantic. Exelon distributes electricity to approximately 5.4 million customers in northern Illinois and Pennsylvania and natural gas to approximately 480,000 customers in the Philadelphia area. Exelon is headquartered in Chicago and trades on the NYSE under the ticker EXC.
