# Referrals, Recommendations and Requests from Public Officials Regarding Employment Decisions

Exelon Policy  
LE-AC-POL8-002  
Rev. 5

## 1. Policy Statement

Exelon Corporation, along with its subsidiaries (“Exelon” or “the Company”), is an Equal Opportunity employer committed to filling job vacancies by selecting the best-qualified, available candidates. We strive to consider a diverse pool of available, qualified internal and external candidates for job vacancies. At times, the Company may receive requests, recommendations, and referrals from Public Officials to consider a candidate for employment or promotion at Exelon. This Policy sets forth the standards and procedures applicable to any request, recommendation, or referral from a Public Official – made directly or through an agent or intermediary – to consider a candidate for any position at the Company.

## 2. Policy Intent

This Policy sets forth the following:

- The process to centralize and track requests, recommendations, or referrals from Public Officials, or their intermediaries or agents, that the Company consider a candidate for employment, including a paid or unpaid internship, or promotion (collectively referred to as “Requests”);
- The circumstances under which a Request disqualifies a candidate from consideration in hiring and promotion decisions; and
- The escalation, review, and approval procedures that apply to any candidate who is the subject of a Request to ensure employment decisions regarding the candidate align with the Company’s commitment to fill job vacancies with the best-qualified, available candidates.

## 4. Terms and Definitions

---

4.1. The following are definitions for terms used in this Policy.

4.2. “Public Official”: Any elected or appointed official, candidate for elective office, and any employee of a federal, state, or local government department or agency. A “Public Official,” for purposes of this definition, is an individual with a role or position that involves oversight of or influence over the Company’s interests.

4.3. “Request”: Any request, recommendation, or referral from a Public Official, or an intermediary or agent of a Public Official, for the Company to consider a candidate for employment, including a paid or unpaid internship, or promotion.

4.3.1. A Request does not include communications in response to inquiries by the Company or its representatives seeking information from the current or former employer of a candidate for employment, nor does it include a communication from a Public Official seeking information about employment openings or processes that is publicly available.

## 5. Policy

---

### 5.1. Reporting and Tracking Requests

5.1.1. Requests under this Policy may come to the Company directly from Public Officials or indirectly from others, and to Company personnel at different levels of seniority and in different business units. No matter how a Request is communicated to the Company, all personnel have an obligation to promptly report Requests. Reports may be made through the business unit Government Affairs team or Compliance & Ethics.

5.1.2. Compliance & Ethics shall maintain a system to document all Requests, including but not limited to who made the Request, the date of the Request, who received the Request, the candidate(s) and position(s) covered by the Request, and the disposition of the Request (“Tracking System”).

5.1.3. The Tracking System shall be used to ensure compliance with Sections 3.2 and 3.3 below; inform relevant stakeholders, including personnel in Human Resources, Government Affairs, and the Legal Department, of candidates who are the subject of Requests; and facilitate periodic reporting of Requests and their disposition to the Audit and Risk Committee of Exelon’s Board of Directors as well as the Boards of Directors of Exelon’s operating companies, as set forth in Section 3.4 below.

### 5.2. Prohibited Conduct

5.2.1. Exelon is committed to making employment decisions based on objective criteria, including the position requirements and candidate qualifications, and its decisions shall not be determined by a Request. It is prohibited to hire or promote a candidate for the purpose of influencing a Public Official, even if no Public Official has directly made a Request with respect to the candidate.

5.2.2. Consistent with the *Corporate Policy Anti-Bribery and Anti-Corruption (LE-AC-60)* and *Interactions with Federal, State, and Local Public Officials (LE-AC-POL8-001)*, if a Request is made or appears to be made in exchange for offering to perform, or as a reward for, an official act for the Company:

- The Request must be reported immediately to the Company's Chief Compliance & Ethics Officer or General Counsel; and
- The candidate who is the subject of the Request made in exchange for offering to perform, or as a reward for, an official act for the Company shall be disqualified from consideration for any position at the Company.

5.2.3. A candidate who is the subject of a Request is also disqualified from consideration for employment with the Company if the candidate is the spouse, domestic partner, child, sibling, parent, or parent/child/sibling-in-law of the Public Official making the Request.

5.2.4. Candidates for employment will be required to disclose (i) whether the candidate is the spouse, domestic partner, child, sibling, parent, or parent/child/sibling-in-law of a current Public Official; and (ii) whether, to the candidate's knowledge, a Public Official has contacted the Company directly or indirectly to request that the candidate be hired.

Human Resources will report any disclosed relationships to Compliance & Ethics for review consistent with Company policies, of the relationship and potential for a conflict of interest;

- The resolution of a relationship considered under this Section must be approved by: (1) the officer responsible for Government Affairs, hiring business unit; (2) General Counsel, hiring business unit; (3) CEO, hiring business unit; and (4) Chief Compliance & Ethics Officer.

### 5.3. **Consideration of Candidates Subject to Requests**

5.3.1. Any candidate who is the subject of a Request, and not otherwise disqualified from consideration under Section 3.2 of this Policy, may be permitted to pursue employment opportunities with the Company subject to the following requirements:

- The candidate must meet the qualifications and job requirements documented for the position to which the candidate wants to be considered, as determined by Human Resources;

- There may be circumstances where a candidate who is the subject of a Request is seeking employment or promotion in a jurisdiction other than the jurisdiction in which the public official who made the Request serves. ### 5.4. Quarterly Reporting

- 5.4.1. Quarterly, the Chief Compliance & Ethics Officer shall report to the Audit and Risk Committee of the Exelon Board and the Boards of each operating company regarding all Requests received under this Policy relevant to the applicable business units. The reporting shall include, but not be limited to the number of Requests that fall under this Policy, the Public Official associated with each Request, a brief summary of each Request, and the disposition of each Request.

## 6. Reporting Potential Policy Violations; Non-Retaliation

- 6.1. Compliance with this Policy is critical to sustaining Exelon's integrity in its interactions with public officials. Exelon is committed to a culture that encourages employees to speak up when we see something that violates – or could possibly violate – the law or our policies, and to seek help when we are unsure about the proper course of action. If you suspect a violation, or possible violation, of this Policy, you have an obligation to report your concerns. There are a number of ways to report concerns or ask questions about these policies, including through:

- 6.2. All reports will be treated confidentially to the fullest extent possible under the circumstances, consistent with the requirements of LE-AC-204, *Reporting Potential Violations of the Code of Business Conduct or Supplier Code of Conduct*.
