Exelon Corporation

Exelon's vision of providing superior value for our customers, employees and investors extends to the communities that we serve. In 2021, the Exelon family of companies provided over \$41 million to non-profit organizations in the cities, towns and neighborhoods where our employees and customers live and work. In addition, the Exelon Foundation contributed over \$10 million to communities Exelon serves.

Our employees' efforts complement corporate contributions through volunteering and service on non-profit boards. Our employees volunteered 177,765 hours of community service in 2021. In addition, employees contributed \$11 million to the charity of their choice through the Exelon Foundation Matching Gifts Program and the Exelon Employee Giving Campaign.
