

## Tim Peterson

Executive Vice President, Chief Customer and Technology Officer  
Exelon Corporation

### **Profile**

Tim Peterson is the Executive Vice President and Chief Customer and Technology Officer. Peterson's organization is responsible for enterprise-wide customer strategy and experience, along with information technology and cybersecurity.

### **Professional History**

Prior to serving as Exelon's EVP, Chief Customer and Technology Officer, Peterson worked at Xcel Energy leading the company's customer and employee experience, IT and digital functions. Peterson has more than two decades of experience leading large multi-function teams, complex initiatives and company transformation efforts, including large-scale grid modernization and customer billing system upgrades. Prior to that role, Peterson held chief information officer roles at large, customer-focused organizations, including Optum, Wellmark and TruStage Financial Group.

### **Civic Involvement**

Peterson has been an active member of the Minneapolis-St. Paul community, serving on the boards of the Science Museum of Minnesota and the Minnesota Technology Association.

### **Education**

Peterson holds an MBA from the University of Minnesota and a BBA from the University of Wisconsin – Eau Claire. He is also a Certified Information Systems Security Professional (CISSP).
