

SQAD-6 Quality Control Notice (QCN)

Sub Code: PACK

Packaging/Shipping/Storage/Handling

For Nuclear Safety Related Items - each item ordered for which this quality statement is specified shall be packaged, shipped, stored and handled in accordance with ANSI 45.2.2 or ASME NQA-1, 1994 Edition to the levels and classes specified in the Exelon PO/Contract and its references. For all other items, unless otherwise specified in the body of the Exelon PO/Contract, manufacturer's standard packaging and shipping is required.
